UNIVERSAL FIXED RACK™

Zomeworks Corporation has been a leader in passive energy products since 1969.

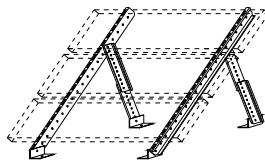

The line of Roof/Ground Mount and Pole Top Mount fixed racks are made with the same top quality, high strength materials from the smallest to the largest rack.

Roof/Ground Mounts

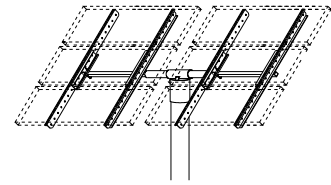

These light-weight racks are most commonly installed on roofs. The telescoping back legs make them easy to adjust to face the sun on any slope, either roof or ground.
